Feedback From the Happy Couples¹¹

The day of the wedding was stress free, Shauna, Abbie and the whole team worked so hard for us, everything ran to perfection. After the ceremony Shauna and a colleague took us out on the buggies for some great photos with our photographer. The food and service was great, no waiting for long times between courses.

Our room was included as part of the package and it was lovely, you can tell the housekeeping staff works hard in making everything perfect for you, the attention to detail is key, and they nailed it.

To sum up, I would say if we did not feel comfortable with our initial meeting we would not have booked, so thank you Shauna, you made our day feel very special, and thank you Abbie and the whole team, you should all be proud, its so nice to find a venue that actually cares about their customers and not the bottom line on a P&L account.

Oh my goodness, what a spectacular place to have a wedding. My guest arrived a day before and the reception was brilliant. All my guest were well looked after.

The entire team was brilliant, from the reception, chefs, room services ,all were excellent. My guest said they were treated like Royals.I had several meetings with the management and were very supportive. I wrote a thousand emails and did many calls, all of which I got responses on time. Special thank you to one,SHAUNA. She was always a call away, and walked with me the entire wedding journey. Keep up the good job team.

We had our wedding reception at Dale Hill. Our wedding day was magical. The whole Dale Hill team were exceptional, especially Shauna who went above and beyond to make our day flow so smoothly. From our first visit, to the communication, to the beautiful setting, to the food, to the personal touches that were done in our room, to the private breakfast dining for our guests the following day. We had a dream of how our day would be and Dale Hill exceeded this and more. What's more is that all our guests had the same amazing feedback as us. We couldn't fault anything about this place
